

**KEEP NASSAU BAY BEAUTIFUL (KNBB) WINDSHIELD SURVEY  
GROUP 3**

Ranking:

- Excellent – no litter or minimal litter. Free of dilapidated structures, junk cars/containers. Well painted structures and signs.
- Good – small amount of litter that could be collected by one person. A few junk cars/containers, which could easily be removed. Minor touch ups needed for structures/signs.
- Fair – litter that would require an organized clean up. Significant number of junk cars/containers requiring focused effort to remove. Significant repair/re-painting of structure/sign.
- Poor – heavy litter that would require heavy equipment or a large-scale cleanup for the area. Large number of junk cars/containers which require major efforts to remove. Structures and/or signs are in need of complete re-painting or resurfacing.
